Foreword

To be young in 1970 . . .

To be alive . . .

To have memories . . . and dreams . . .

To have quiet moments . . .

To share with friends . . .

To play and to debate . . .

To think and to laugh . . .

All of this is reflected in this edition of The Green Knight

Some of Many Who Help

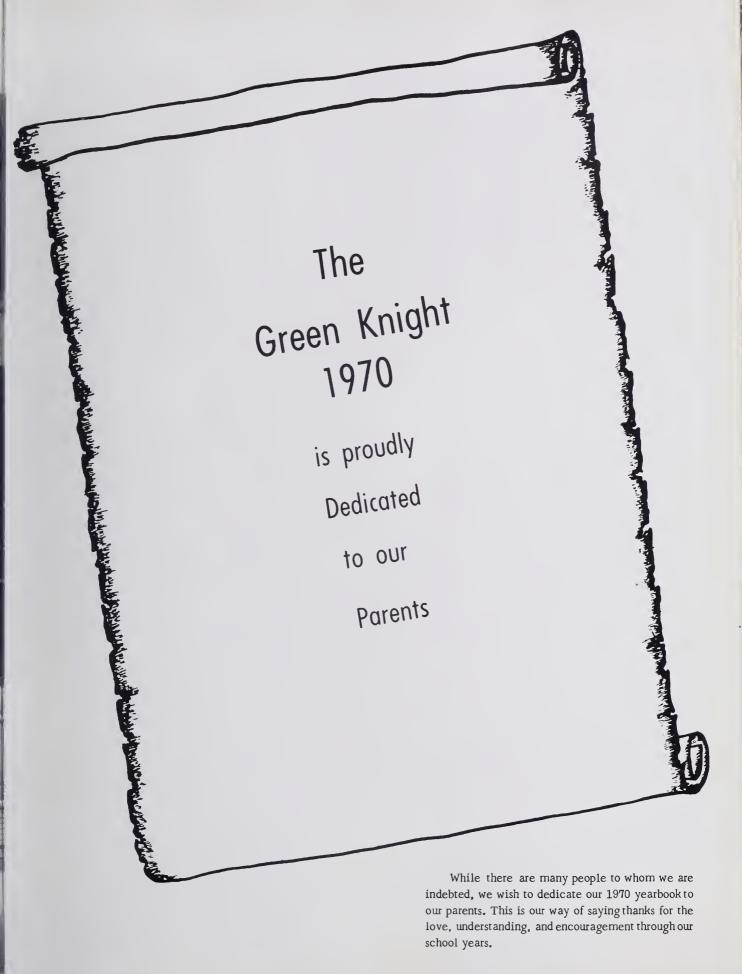

Valedictorian Janice Farmer Salutatorian Rhonda Ratliff

"Knowledge is a treasure"

Mr. Howard M. Deel

Principal Clintwood High School

As you leave CHS, you take with you many memories. Some of these memories will be of fun and friends. But, also, we hope you take with you the memories of challenges offered you in classroom work, in sports, and in club activities. It is these experiences that you need in meeting the many challenges of today's world. We wish you every success.
